

**INDIAN ASSOCIATION OF VETERINARY PATHOLOGISTS (IAVP)  
TAMILNADU CHAPTER**

**GUEST LECTURE**

**06<sup>th</sup> February 2010**

On behalf of The IAVP Tamilnadu Chapter (IAVP-TN) and with reference to the resolution passed in the previous IAVP-TN chapter meeting-2009, a Guest Lecture was arranged on 06.02.2010 (4 to 6 p.m.) in the Seminar Hall, Animal Biotechnology, Madras Veterinary College, Chennai-600 007. Eighteen members have participated.

The participants included IAVP Vice-President Dr. B. Murali Manohar, Zonal Secretary (South) Dr. C. Balachandran, 7 faculty members, 1 Assistant Director of Animal Husbandry, 1 from industry, 2 research fellows, 1 Ph.D. scholar, 2 post-graduate students and 1 PGVLD student besides the guest speaker. Following registration, the members introduced themselves.

Dr. C. Balachandran, Zonal Secretary (South), IAVP, Secretary, TN Chapter IAVP & Professor and Head, Department of Veterinary Pathology, Madras Veterinary College, Chennai welcomed the gathering.

Dr. Dalen W. Agnew, Diagnostic Center for Population and Animal Health, Michigan State University,

College of Veterinary Medicine, Lansing, USA delivered a guest lecture on "Trichomonosis in cattle". His area of interest is reproductive pathology in farm and wild animals.

Dr. B. Murali Manohar, Vice-President, IAVP and President, IAVP-TN chapter and Director, Centre for Animal Health Studies, TANUVAS, Chennai offered his concluding remarks.

Dr. S. Vairamuthu, Treasurer, IAVP-TN chapter and Associate Professor and Head, Centralised Clinical Laboratory, Madras Veterinary College proposed vote of thanks.

Post meeting tea provided an opportunity to members to personally get acquainted with each other and discuss the field of interest in veterinary pathology.
